

**Summer Reading Book Project
2008-2009**

Dear First Grade Parents,

In an effort to promote the improvement of literacy of our students, we ask that each child entering first grade read a book during the summer as part of the "Reading Book Project." The book chosen this year is "Morris Goes to School," by B. Wiseman. The book may be purchased at Barnes and Noble, other bookstores, or you may borrow it from your local public library.

Please take time to read and discuss the story with your child. Attached you find the book report form which must be completed and returned during the first week of school, as it will be part of the first week's reading grade. During the 2008-2009 school year, all first graders will be required to read and complete other book reports that will be announced during the school year.

Thank you for your cooperation in the "Reading Book Project." Have a blessed summer.

Sincerely,

The First Grade Teachers,
Mrs. Estrada and Ms. Vero
