

Reading Project  
2008-2009

Dear Second Grade Parents:

During the summer, the students of St. Michael School will participate in a “Summer Reading Book Project”. The second grade is required to read the book, “The Rainbow Fish”.

The author and illustrator is Marcus Pfister. The story is about the most beautiful fish in the entire ocean that discovers the real value of personal beauty and friendship.

We suggest that you purchase the book online, at Barnes and Noble, at Borders or other bookstores. Copies can be obtained from the public library, but they sometimes are limited. After you purchase the book, please take the time to read and discuss it with your child. Please return the book report during the first week of school, as it will be part of the first week’s reading grade.

During the 2008-2009 school year, all second graders will also be responsible to complete eight other book reports from a required list. The titles of these books will be announced at a later date.

Thank you for your cooperation in the “Reading Book Project”. Have a blessed summer.

Sincerely,

Ms. Perez-Noy  
Mrs. Gata  
Second Grade Teachers
