

Reading Project

Dear Parents,

As you know our school has a summer reading program. The "Reading a Book Project" requires 3rd grade students to read a book during the summer as well as one book per trimester during the school year.

In an effort to improve students' literary and comprehension skills, we urge you as parents, to support your child in this project. After all, you play the most important role in your child's education. The name of the book your child is required to read is found below. This book can be found at bookstores (Barnes and Noble or Borders). Students will do a book report after reading the book. This book report will be due the Friday upon returning to school. The trimester books to be read will each be due on their corresponding dates.

We thank you again for your continued support.
