

Reading Project

Dear Parents,

As in the past, we will continue our reading project for the school year 2008-2009. The project will require the 4th grade students to read one book during the summer vacation and one book per trimester during the school year.

Parents play an important role in their child's educational development; therefore we are providing our students with the opportunity to engage in daily reading to improve their literacy skills. We count on your support in this ongoing project by buying books and encouraging them to read. Once the school year starts, you will receive a list of the books your child will be reading each trimester.

The 4th grade students will be required to do a book summary and answer some questions after reading each book. Attached you will find the format your child must use in completing the specified book summary. The summary for the book assigned for the summer, will be due on the first Friday upon returning to school. All work must be done in cursive writing.

This project will enhance your child's success in school and throughout life.

We look forward to another successful year at St. Michael's, and wish everyone a safe and happy summer.

The Trumpet of the Swan by E.B. White

Sincerely,

Ms. Balboa and Ms. Forbes
